

Dear Potential Homeowner,

Thank you so much for inquiring about our Homebuyer Education series. This workshop will walk you through the homebuying process so that you feel confident that you can make informed decisions when it comes to building your assets through purchasing a home.

Whether you're just beginning to think about buying a home or you've already begun the process, our classes will provide valuable information on all aspects of the homebuying experience. Among other topics, we'll discuss:

- *budgeting and saving for a home*
- *what lenders look for in terms of your credit history*
- *programs that are available to help you buy a home*
- *loans and terms*
- *home inspectors and real estate agents*
- *warrantees, insurance, and closing documents*

Yes, there is a lot involved with buying a house but why not get started? (We bet you'll even have some fun with us along the way!) After the series, you will receive a certificate to demonstrate that you have completed a HUD-certified First Time Homebuyer Education course.

Please note:

- Your place in the class is not reserved until we receive 1) a completed registration sheet and 2) your \$35 payment (if applicable).
- **We will not call you to confirm your registration.** We do, however, typically call participants the week of class to remind you about the time and location.
- Mission Home Help participants are exempt from the \$35 registration fee. You must indicate on the registration form (under payment information) if this applies to you.
- The 3rd session (evening 3 of weeknight classes or the morning of class 2 of Saturday classes) is optional for Mountain Housing Opportunity and Habitat for Humanity clients.

Please call us if you have any questions about the Homebuyer Education series or any other OnTrack WNC services. We look forward to having you in our class!

Sincerely,

Hart Dahlhauser
